# TOOL CHESTS

**NEW**

TECNOTELAI OFFERS ITS  
**NEW PRODUCTS**

TOOL CHESTS

STANDARD COLOUR

Chests made of **steel sheet metal**, 8-10/10 mm thick, used both on construction sites and in warehouses, suitable for safe storage of materials, tools, and equipment.

Equipped with a **reinforced opening system** for greater durability over time, a **lockable lid**, and two handles on the side for easy lifting and transport.
